Grass Lawn, Fridays, 10 - 11 AM.  
Starts: May 7 - July 23 9 games \$72

Starfire, Wednesdays, 10 - 11 AM.  
Starts: May 5 – Jun 30 9 games \$72

Limited spots are available, please register asap.

## **How to Register by using our new TeamSideline system:**

- 1) Create an account with TeamSideline: Go to <https://www.gssl.org> and click the **Sign In** link in the top right corner.

Click the [Create a new account](#) link below the Password box and enter your account information.

Or you can download the Team Sideline mobile app for your tablet or phone and use it to create your account. If you like phone apps, the mobile app might be easier for you to use.

As the final step of registration, you will receive an email from Team Sideline with the subject line "Validate your Email address". You must click on the link contained in the email to confirm you entered the correct email address.

**You must create a Team Sideline account before you register for a game session.**

- 2) To register and pay: Go to the GSSL website (<https://www.gssl.org>).

On the menu bar select Programs, then Walking Soccer, then Walking Soccer Event Registration.

Click the REGISTER TO PLAY button at the bottom of the page to go to the registration page.

Choose the Walk Soccer program (check the Program Duration dates to be sure you pick the program you want) and click the Enroll button. You will need to sign into Team Sideline if you aren't already signed in.

Select the offering (event) by location and time (some locations have multiple times). You can add multiple offerings (events) to your cart before checking out.

Click the Proceed to Checkout button to complete the registration process and pay. You will receive an Order Confirmation email from the GSSL with your registration details.

### **How to get event information and RSVP for games:**

We are no longer using Team Cowboy for rosters, posting schedules and communicating with our players. We are building the rosters and schedules in Team Sideline and players can view rosters and game schedules and RSVP for games on their Team Sideline team web site or using the Team Sideline mobile app.

It may take a few days for league staff to complete your registration process and place you on the roster. You will get an Announcement email from Team Sideline once you are officially on the roster for your session.

Once you get the Announcement email, you can use the mobile app to easily view the roster, the game schedule and enter your RSVP's. Just use your same Team Sideline login and password.

If you prefer using your laptop or desktop, getting to your team site is as easy as going to <https://www.gssl.org> and clicking the **Sign In** link in the top right corner. After signing in you should see your personal Team Sideline account home page and it should have a link to your team site right in the middle of the page under the Team Sites column heading. Click on the team link and you'll see the team web site where you can view rosters, game schedules, and enter your RSVP's.
